BRIEF ABSTRACT OF LETTER.

Requests for reasons given, that an assistant Court Nazir be appointed on a pay of Rs 25 ₹2 or a clerk from the Bowringpet Taluk Treasury be transferred to the Court.

NOTES AND ORDERS.

On G.O. no 71. 5418-21/G.7. 177-22-3 dt 30.5.1923, the judicial & Deposit transactions of the Munsiff's Court at K.G.D. were transferred to the branch of the Bank of Mysore at Oorgaum. The scheme has been sanctioned for one year tentatively

NOTES—First Sheet.

from 1st July 1923. The Regr says that this arrangement has thrown more work on the Court Nazir and requests that an assistant Court Nazir may be appointed. For this work, a clerk from the Bowringpet Taluk Treasury, where there is less work now on account of the transfer of the Judicial deposit transactions to the Branch of the Bank of Mysore, is asked to be transferred if one additional hand cannot be sanctioned. If this too is not feasible, a clerk on Rs 25+2 K.G. Allowance, is to be appointed the cost being met from the provision made for 'Extra Civil Courts' in the Judicial Budget.

To sanction an additional hand the cost involved is Rs 324 per annum. The provision pointed out is required for meeting the charges connected with (1) Extra Civil Courts (2) A second Bench court for Bangalore City (3) additional establishment for the Munsiffs Court at Kolar and (4) Revision of the pay of Munsiffs

The better scheme would be to transfer one clerk from the Bowringpet Taluk Treasury to the Mercantile Court K.G.F. The Revenue Secretariat may be consulted

Necessity for an additional hand, if the present arrangements continue, is made out. Annual cost is 324 Rs only and may perhaps be met for the current year, from the saving pointed out. In future years, it will have to be budgetted for: but for orders.

The necessary statistics were not available in my office. While I was at Mysore during the last Dasara, the Civil Court Auditor who happened to be working there at the time furnished some statistics to me. The Registrar of the Chief Court was kind enough to get a detailed explanation from the Munsiff, Kolar Gold Fields, who since came to Bangalore and we had a personal discussion on the subject on the 10th instant Hence the delay

The transfer of the Treasury transactions of the Judicial Deposits connected with the K.G.F. Munsiff's Court to the Ooregaum Branch of the Bank of Mysore was not initiated either by this office or the Chief Court. This system was introduced at the instance of the Secretary Mining Board, K.G.F. (Vide letter No.36 dated 4th November 1922 from the Secretary

Secretary, Mining Board, to the Financial Secretary).

From the discussion I had on the subject with the Registrar of the Chief Court and the Munsiff of the K.G.F. with the help of the statistics furnished by the latter, we came to the conclusion that there is three hours work a day for an additional clerk. In view of this and the small pay proposed the recommendation of the Chief Court for the entertainment of an additional clerk on Rs 25/- may be favourably considered.

The Bowringpet Taluk Treasury cannot spare a clerk for this purpose, as by the transfer of the Judicial Deposit transactions from the Taluk Treasury to the branch of the Mysore Branch Bank at Ooregaum, the treasury is relieved of heavy pressure of which it has been complaining for the past few years and the transfer of this item of work will not enable it to relieve a whole time clerk.

The two constables were detailed for this purpose on requisition by the Munsiff for escorting remittances.(Vide Government Order No.J.3705/Cts.329-14-2 dated 1st May 1915.)

JUDICIAL BRANCH.

Sir,

I am directed to advert to Government Order No.FL. 5418-21/G.F.177-22-3 dated 31st May 1923 sanctioning the transfer of the Judicial Deposit transactions of the -- Munsiff's Court, Kolar Gold Fields, to the branch of the Bank of Mysore at Ooragum tentatively for a period of one year and to state as follows:-

The new system which is to come into effect from the 1st of this month will entail a great deal of extra work (as explained below) on the part of the Court Nazir and more than he can manage single-handed. Most of the work hitherto done by the Taluk Treasury will devolve on him as a Bank cannot be expected to undertake such extra duties, nor to be anything more than a mere custodian of the sums deposited therein. Transactions with a treasury involve the maintaining of only a Deposit Register and under the rules (paragraph 13 under Ledger of Rule of Practice 158 dated 18th November 1920 and Civil Circular Letter No.251 dated 18th November 1920) judicial Deposits are not -- ledgered; but under the new system a separate Ledger has to be maintained for such deposits by the Court Nazir. In addition, he has to maintain Registers of Receipts and Repayments of Deposits (Art.403 M.A.C.Forms Nos.48 and 50)

and

and to prepare and submit the Lapse statement and the -- Annual Clearance Register, to the Comptroller, which hitherto devolved on the Treasury.

Even under the old system the cash transactions of the Kolar Gold Fields Munsiff's Court were much heavier than in many other courts and it was all that a Court Nazir could do to cope with it single-handed. It will be well-nigh -- impossible under the new system, for one man to cope with the work and it is therefore necessary that he should be provided with an Assistant; otherwise it is to be feared, that the accounts will get into confusion.

I am therefore to request that the Government may be pleased either (in view of the reduction of work in the -- Treasury at Bowringpet) to transfer one clerk from the establishment of the Bowringpet Taluk Treasury, or, if this is not practicable, to sanction the additional appointment of an Assistant Court Nazir on a pay of Rs25 plus Rs.2/- (Kolar Gold Fields Allowance) to the Munsiff's Court.

I am to suggest that if this extra cost cannot be met from any other source at the disposal of Government, it may be met from the lump sum grant proposed by Government for the creation of additional facilities for the administration of Justice during the current official year.

A separate proposition statement in duplicate is forwarded herewith.

I have the honour to be,

Sir,

Your most obedient servant,

REGISTRAR. 4/7/25

Letter No.R.O.C.1503/22-23 dated the 5th July 1923 from the Registrar, Chief Court of Mysore, Bangalore, to the Chief Secretary to Government of Mysore, Bangalore.

----- O -----

I am directed to advert to Government Order No.FL.5418-21/G.F 177-22-3 dated 31st May 1923 sanctioning the transfer of the Judicial Deposit transactions of the Munsiff's Court, K.G.F. to the branch of the Bank of Mysore at Ooregaum tentatively for a period of one year and to state as follows :--

The new system which is to come into effect from the 1st of this month will entail a great deal of extra work (as explained below) on the part of the Court Nazir and more than he can manage single-handed. Most of the work hitherto done by the Taluk Treasury will devolve on him as a Bank cannot be expected to undertake such extra duties; nor to be anything more than a mere custodian of the sums deposited therein. Transactions with a treasury -- involve the maintaining of only a Deposit Register and under the rules (Paragraph 13 under Ledger of R.P.158 dated 18th November 1920 and Civil C.L.No.251 dated 18th November 1920) judicial -- Deposits are not ledgered; but under the new system a separate Ledger has to be maintained for such deposits by the Court Nazir. Form No.48 and 50) and to prepare and submit the Lapse statement and the Annual Clearance Register, to the Comptroller, which hitherto devolved on the Treasury.

Even under the old system the cash transactions of the K.G.F. Munsiff's Court were much heavier than in many other courts and it was all that a Court Nazir could do to cope with it single-handed. It will be well-nigh impossible under the new system for one man to cope with the work and it is therefore necessary that he should be provided with an Assistant; otherwise it is to be feared, that the accounts will get into confusion.

I am therefore to request that the Government may be pleased either

either (in view of the reduction of work in the Treasury at Bowringpet) to transfer one clerk from the establishment of the Bowringpet Taluk Treasury, or, if this is not practicable, to sanction the additional appointment of an Assistant Court Nazir on a pay of Rs.25/- plus Rs.2/- (K. G. F. Allowance) to the Munsiff's Court.

I am to suggest that if this extra cost cannot be met from any other source at the disposal of Government, it may be met from the lump sum grant proposed by Government for the creation of additional facilities for the administration of Justice during the current official year.

A separate proposition statement in duplicate is forwarded herewith.
